By rejecting non-essential cookies, Reddit may still use certain cookies to ensure the proper functionality of our platform. For more information, please see our Cookie Notice and our Privacy Policy. You can get apps, games, and digital content for your device using the Google Play Store app. The Play Store app comes pre-installed on Android devices that support Google Play, and can be downloaded on some Chromebooks. On your device, go to the Apps section. Tap Google Play Store. The app will open and you can search and browse for content to download. If you have issues locating the Play Store app, or opening, loading or downloading content in the app, it could be due to a number of reasons. To troubleshoot these issues, try the following topics: I can't find the Play Store App The Play Store doesn't open or load any content Downloads from the Play Store don't work Post to the help community Get answers from community members Skip to main content Reddit and its partners use cookies and similar technologies to provide you with a better experience. You can browse the web on your iPhone or iPad with Chrome. On your iPhone or iPad, open App Store. In the search bar, enter Chrome. Tap Get. To install, follow the on-screen instructions. If prompted, enter your Apple ID password. To start browsing, tap Open. To open Chrome from your Home screen, tap Chrome. Post to the help community Get answers from community members Next: Buy & use a Play gift card You can install apps, games, and digital content on your device from the Google Play Store. Some content is available at no charge, and some you need to buy. You can use apps that you bought on Google Play on any Android device without the need to pay again if each device is signed into the same Google Account. To download an app: Open Google Play. On your Android device, open the Google Play app. On your Computer, go to play.google.com. Search or browse for an app or content. Select an item. Select Install (for no charge items) or the item's price. Tips: To check that an app is reliable, find out what other people say about it. Under the app's title, check the star ratings and the number of downloads. To read individual reviews, scroll to the "Ratings and reviews" section. If you can't find an app you want to install, there are reasons why. Learn why you can't find an app. If you find an app that you think is harmful, report it to us. Learn how to report bad apps.
