Return with Honor: Die wahre Geschichte von Scott O'Grady In diesem faszinierenden Buch erzählt U.S. Air Force-Kapitän Scott O'Grady seine wahre Geschichte, als er im Jahr 1995 während der NATO-Operation Deny Flight in Bosnien überlebte, nachdem sein F-16 von einem sowjetischen Antiaircraft-Missile getroffen wurde. O'Grady beschreibt, wie er sich fünf Tage lang in der Wildnis versteckt hielt und Kontakt mit den NATO-Streitkräften herstellte, während die bosnischen Serben ihn jagen und er von seinen eigenen Überlebenstechniken und dem Glauben an Gott versorgt wurde. In diesem Buch wird nicht nur die dramatische Geschichte von O'Grady, sondern auch seine persönliche Entwicklung und die Erkenntnisse, die er während dieser Zeit gewonnen hat, beleuchtet. The true story of Colonel Day's six-year captivity in North Korea is a gripping account that sheds light on one of the most tumultuous periods in history. Despite its brevity, the book leaves readers wondering if they possess the resilience needed to endure such hardships. The author's unwavering determination and lack of regret make his narrative both captivating and thought-provoking. This memoir offers an unvarnished look at the Vietnam War, illuminating not only the brutal treatment inflicted upon prisoners but also the complex web of politics that underpinned it. Reviews of similar books, such as "Return with Honor," reveal a common thread - stories of survival against all odds, where individuals confront their own mortality and the true meaning of freedom. These tales serve as poignant reminders of the sacrifices made by those who have fought for their countries' liberty. The accounts are not only haunting but also provide a profound understanding of the complexities surrounding modern warfare. Telling a would-be attacker "Stop. You can't do this to me. It's AGAINST THE LAW" is recommended. Courtroom lawyers and cases come to mind...Did you inform him about not wanting rape or torture? The Bosnian shepherd was unaware. What language did he speak?Ironies abound. Scott O'Grady studied hard, attending many schools & training. Young Marines were sent in at 19 yrs old, with lots of guns. I wasn't the Captain O'Grady fighter pilot, just a scared guy named Scott, getting by on wits.I gained self-worth from escaping. Love the Marine unit sergeant anecdote. A colonel and two other high-ranking officers led the mission. The sergeant was wounded while handing back the gun. His tribute to the U.S. Marines and support personnel who performed his rescue is a testament to courage and patriotism. The story of Captain Scott O'Grady's survival is an incredible tale of faith, resilience, and perseverance. The book recounts his harrowing experience as he was shot down over Bosnia while enforcing the NATO No-Fly Zone. Despite being hit by a missile at 27,000 feet, O'Grady managed to eject from his plane and parachute into enemy territory, only to face an eight-day ordeal of survival on practically no food or water. O'Grady's account is a candid and gripping look at the events that unfolded during his time in captivity. He shares his feelings of helplessness and dependence on God, which lends depth and humility to his story as a fighter pilot. The book has received praise for its inspiring theme, although some reviewers have noted that it may not be the most well-written narrative. Nevertheless, O'Grady's account is a compelling testament to human endurance and the will to survive in the face of overwhelming adversity. The story of Captain Scott O'Grady, a fighter pilot who was shot down over Bosnia, is an unbelievable tale of survival and heroism. This real-life account is a must-read for anyone looking for a gripping and inspiring story. The book delves into the author's beliefs and experiences, allowing readers to understand what drove him to keep going despite the challenges he faced. With its quick-paced narrative and life lessons, this book is a great choice for those interested in war stories or just looking for a compelling read. Captain O'Grady's story is not only about his survival but also about the importance of cherishing life, loving those around you, and being grateful for what you have. His dependence on faith in the face of difficulty is a testament to the human spirit, making this book an awesome testimony to the power of resilience and determination. The author's writing style is both informative and entertaining, making the reader feel like they are experiencing the events firsthand. Overall, Return with Honor by Captain Scott O'Grady is a highly recommended read for anyone looking for a gripping and inspiring story. It's about Captain Scott O'Grady, a U.S. Air force pilot who was shot down over Bosnia in 1995. The author recounts O'Grady's incredible journey of survival and faith, highlighting the small miracles that got him through his ordeal. The book is a thrilling page-turner, full of suspense and intrigue, as O'Grady navigates hostile territory with nothing but hope and determination. I found it to be an extremely engaging read, and one that left me feeling grateful for the blessings in my own life. The author's writing style is easy to follow, making this book a great choice for anyone who doesn't normally enjoy reading. The story is well-paced, with plenty of twists and turns to keep you hooked from start to finish. I was particularly impressed by O'Grady's humility and faith, which shines through on every page. Overall, I would highly recommend this book to anyone looking for a gripping true story that will leave them feeling uplifted and grateful. I vividly recall the emotional rollercoaster that unfolded as I read this captivating story. The narrative is well-crafted and the details are fascinating. Although there were a few instances where the flashback sections didn't seamlessly flow, it's the only reason why this incredible tale earns 4 stars from me. The faith aspect is beautifully conveyed throughout the story. What resonates with me is the author's perspective on his experience, showcasing his attitude, appreciation for those who rescued him, and his faith that sustained him during these challenging times. This is a must-read, deserving of its praise, as it offers valuable insights into overcoming adversity and finding hope in the darkest moments.

Returning a book after reading. Return with honor.
