Your account helps you do more by personalizing your Google experience and offering easy access to your most important information from anywhere. Google services, from Chrome to YouTube, work better and help you do more when youre signed in. Your account gives you access to helpful features like Autofill, personalized recommendations, and much more any time on any device. Autofill Works better for you Stay connected, across the internet Your Google Account helps you save time by automatically filling in passwords, addresses, and payment details using the information youve saved to your account. When you sign in to your Google Account, all the Google services you use work together to help you get more done. For example, flight confirmations in your Gmail inbox will automatically sync with your Google Calendar and Google Maps to help you get to the airport on time. From resuming YouTube videos across devices, to having your contacts, and favorite Play Store apps easily available, a single sign-in allows for a seamless experience across Google. Your Google Account also makes it easy for you to sign in to third-party apps safely and quickly so your preferences go with you even beyond Google. Your Google Account makes every service you use personalized to you. Just sign into your account to access your preferences, privacy and personalization controls from any device. Instant access Privacy controls A safe place for your info Youre never more than a tap away from your data and settings. Just tap your profile picture and follow the link to Manage your Google Account. From your profile picture, you can also easily sign in, sign out, or turn on Incognito mode. When it comes to privacy, we know one size doesnt fit all. Thats why every Google Account comes with easy-to-use controls and tools like Privacy Checkup so you can choose the privacy settings that are right for you. You can also control what data is saved in your account with easy on/off controls, and even delete your data by date, product, and topic. Protecting all the information in your Google Account has never been more important. Thats why weve built powerful protections and tools like the Security Checkup and Google Password Manager into every account. Built-in security Security Checkup Google Password Manager Your Google Account automatically protects your personal information and keeps it private and safe. Every account comes with powerful features like spam filters that block 99.9% of dangerous emails before they ever reach you, and personalized security notifications that alert you of suspicious activity and malicious websites. This simple tool gives you personalized recommendations to help keep your account secure. Your Google Account comes with a built-in password manager that securely saves your passwords in a central place only you can access.
