Avec plus de 35 millions d'utilisateurs actifs mensuels fin 2023, Ayoba simpose comme la super-application de messagerie incontournable en Afrique. Lancee en mai 2019 par Progressive Tech Holdings, filiale du groupe MTN, cette plateforme tout-en-un est connue spcifiquement pour rpondre aux besoins et contraintes du continent africain, o la messagerie instantane est devenue le canal de communication privilgi. Au-del d'une simple messagerie, Ayoba est un vritable cosystème digital intgrant messagerie texte, vocale, photo, vido, appels audio et vido de qualit, mais aussi des services complmentaires uniques : streaming musical en partenariat avec Boomplay (plus de 600 millions de streams en 2023), actualits en continu, jeux interactifs dvelopps localement, et micro-applications facilitant l'accs au shopping, l'ducation ou la sant.Cette richesse fonctionnelle vise pallier les limitations frquentes de connexion et le cot lev des donnes en Afrique, en offrant une exprience adapte et accessible. Au Cameroun, les abonnés MTN bnficient dun giga de donnes mensuelles gratuites ddi l'usage d' Ayoba, une initiative qui rduit la barrire conomique l'accs numrique, notamment en zones rurales. Fatou, entrepreneure locale dans le secteur du e-commerce Douala, tmoigne : Grce Ayoba, je reste connecte sans craindre pour mon crdit data. Cette offre favorise une adoption rapide et une inclusion numrique plus large. Ayoba garantit la confidentialit totale des changes grce un chiffrement de bout en bout, et respecte les normes africaines de protection des donnes personnelles, renforant ainsi la confiance des utilisateurs face aux enjeux de souverainet numrique. Cette rigueur scuritaire place l'application en bonne position face aux gants internationaux, rassurant les utilisateurs sur la confidentialit de leurs conversations. Malgr ses atouts, Ayoba fait face des critiques sur son interface juge parfois complexe par les moins agueris au numrique. La multitude d'ptions peut dsorienter, et des rallisements occasionnels ont i signals, impactant l'xprience utilisateur. Une simplification des menus et un 'ersion light optimise pour les connexions faibles est galement envisagee pour amliorer l'ergonomie et la fluidit.Ayoba ne se limite pas la communication : elle valorise les contenus africains et soutient l'conomie digitale locale. La plateforme hberge des sries dramatiques comme Nite Nite produite au Ghana, et des jeux dvelopps par Usiku Games au Kenya. En mai 2024, Ayoba a organis un hackathon de jeux lchelle continentale, stimulant la crativit et l'innovation technologique africaine.Selon Selorm Adadevoh, directeur commercial du groupe MTN : Ayoba est plus qu'une application : c'est un voyage transformateur, limago du continent lui-mme, rsilient et avant-gardiste. Notre engagement envers l'innovation et l'orientation utilisateur propulse Ayoba vers de nouveaux sommets. Click here to read in EnglishFin les longues attentes au lyce et les tableaux d'affichage encombrs. Ds cette anne, les rsultats du baccalaurat et d'autres examens officiels seront accessibles en un clic. Le 9 avril 2025 Yaound, MTN Cameroun et l'Office du Baccalaurat du Cameroun (OBC) ont scell un partenariat pour faire entrer le systme ducatif dans l're numrique. Une signature au sommet La crmonie s'est tenue en presence du directeur gnral de IOBC, Etienne Roger Minkoulou, du directeur gnral de MTN Cameroun, Wanda Matandela, et de la presidente du Conseil d'administration de l'Office, Catherine Ndoumbe Manga. L'objectif affich est clair : rendre l'information ducative plus accessible, plus fiable et rsolument moderne.Au cur de cette collaboration, on retrouve l'application mobile Ayoba. Dj adopte par plus de 2,5 millions d'utilisateurs au Cameroun, elle devient dsormais un canal priviligi pour consulter les rsultats des examens officiels. En parallle, une base de donnes numrique sera mise en place pour hberger les accsibles preuves. Une ressource prcieuse pour les lves, les enseignants et les parents.Wanda Matandela, directeur gnral de MTN Cameroun, rsume lenjeu : Il est vident que notre super application Ayoba est la plateforme optimale pour accompagner la numrisation des contenus ducatifs. Ce partenariat confirme notre engagement connecter les Camerounais aux avantages du numrique , indique-t-il. Une banque de donnes numriquesSelon le directeur de IOBC, ce partenariat permettra aux lves d'accder gratuitement leurs rsultats en temps rel. Ils ne vont plus dbourser la somme de 150 F pour consulter leurs rsultats via des SMS comme c'tait le cas avant. MTN va galement nous accompagner dans la digitalisation dans son entretet, a-t-il confi.Pour Roger Andang, digital manager chez MTN Cameroun, cette alliance va soutenir IOBC dans sa transition numrique : La digitalisation est un lment cl sur lequel MTN sappuie pour aider la jeunesse camerounaise. De ce fait, on s'est rendu compte que les candidats devaient recevoir les rsultats par des canaux traditionnels. Aujourd'hui, il est question de donner la possibilit aux parents et aux lves, travers leurs matricules , confie-t-il.Une opportunit pour moderniser l'cole Pour bnficier de ce service, les utilisateurs doivent tlcharger l'application Ayoba, qui pse environ 65,6 Mo. Une fois installe, il suffit de choisir l'option Babillard 237 et de saisir le numro de matricule du candidat. Les admissions seront indiqués par le message Admis , tandis qu'un chec saffichera comme Refus . Notons cependant que seuls les abonnés de MTN peuvent accder la plateforme sans consommer de data.Cette initiative sinscrit dans une volont plus large de modernisation des mthodes de communication et de gestion. Grce la digitalisation, la diffusion des rsultats sera non seulement plus rapide, mais galement plus fiable, avec une rduction des erreurs manuelles et un renforcement de la scurit des donnes. Pour les lves, une nouvelle re commence : celle o le tlfphone devient un vritable outil d'apprentissage, et o la technologie facilite l'accs l'information et la prparation aux examens.Et vous, que pensez-vous de cette initiative numrique dans le secteur ducatif camerounais ? Internet classics and Giga surf are Internet bundles available to all MTNC prepaid customers. What's the difference between classic Internet and Giga Surf? Mobile Surf subscribers benefit from a single provisioning of all purchased connection volume with a specific validity.Giga Surf bundles are daily quota bundle where subscribers are supplied on a daily basis depending on the bundle they subscribe to. Who is eligible ? All MTNC prepaid customers are eligible for these bundles. How is the volume of the Giga Surf package provisioned per day? Each day, the customer is provisioned according to the bundle to which he has subscribed for a period of 24 hours. The next day, he receives his daily allowance for a further 24 hours, and so on for the duration of his Internet bundle.If the subscription is made at 12:00, the next volume will be positioned at 12:00. How to access classic and giga surf internet bundle You can access the Classic and Giga Surf internet bundles via one of the following channels: (USSD *157#, myMTN, MoMo *126#, IVR, Facebook and WhatsApp at 650528787).Via USSD:Dial *157#1 for daily bundles or 2 for weekly bundles.Dial *157*5# for Giga surf bundle.Via MoMo:Dial *126#Choose 3 to buy MTN products.Choose 3 for Internet bundles. Via IVRCall 8787/Press 4/Press 1/Press 1 How can I check my DATA balance? To check the balance:Via USSD: Dial *123*99#. Why can't I access the *157# menu from my phone? Depending on the configuration of certain phone brands, access to the Menu via the *157# code does not work. To access the Internet bundle portal, if *157# doesn't work on your phone, enter *123*3*2#. Can I subscribe to several packages at the same time? Yes, I can.For classic Internet bundle: The next bundle will take over after the first one has expired, depending on the time of subscription.For Giga surfs bundle: The next bundle will take over after the first one has expired. How long does it take for my purchased bundle to be positioned in my account? A maximum delay of 20 secondsNb: Network disruptions may slightly delay the implementation of the bundle. What do I do if I can't surf? Check your balance at *123*99#. You can move a few steps if the reception signal is weak.The problem could be that your area is not well covered by the network.This can also be due to network disruptions (technical incident, fiber failure). If this is the case, your Internet connection will be fluid again once the incident has been repaired. What if I don't have an Internet connection but I still want to surf? If you don't have an Internet connection but still want to surf, Ayoba is the perfect solution!With Ayoba, you can chat, make video calls, send voice messages, play games, watch videos, listen to music and keep up with your favorite stars WITHOUT USING YOUR DATA.
